Baltimore County Public Schools offer all employees (including part-time employees, temporary employees, contract employees, and substitutes) an opportunity to contribute to one or both optional retirement plans. These plans, called 403(b) and 457(b) plans, allow employees to save for retirement by purchasing annuities or mutual funds through payroll deductions. BCPS does not contribute employer dollars to the plans.

Both plans are designed to:

- Help you save regularly on a tax-deferred basis.
- Reduce your current federal and Maryland income taxes.
- Provide you with a choice of investment options.
- Provide for your beneficiary.

The 2022 contribution limit is $20,500. If you are, or will be, age 50 or older in 2022, you may choose to defer up to an additional $3,000. Additionally, there are special “catch up” limits that permit eligible employees to defer an additional $3,500 per year.
